**(1<sup>st</sup> March to 3<sup>rd</sup> March 2025)**

# INTRODUCTION

We are honoured to invite you to **ESTRELLA 2K25 – Annual Fest**, hosted by Santiniketan Medical College & Hospital, alongside **SMC MedExpo 2025 – Healthcare & Hospital Needs Exhibition**, organized by the **All-Bengal Private Nursing Home & Hospital Owners Association** and supported by the **West Bengal Media Forum**. Scheduled from **1st to 3<sup>rd</sup> March 2025** at **Santiniketan Medical College & Hospital, Bolpur, West Bengal**. These landmark events aim to foster knowledge exchange, showcase technological advancements, and encourage insightful discussions on healthcare and innovation.

This exhibition aims to bring together renowned healthcare companies from across the country to showcase their latest innovations, medical equipment, and cutting-edge healthcare solutions. Alongside the exhibition, Parallely we are also organizing a series of seminars on "The Role of Artificial Intelligence (AI) in Healthcare", where industry experts will discuss the latest advancements and applications of AI technology in medical sciences for overall development of Healthcare Sector.

The event will feature a Panel Discussion with leading medical professionals and AI experts, offering valuable insights and case studies. Additionally, an extensive Healthcare Exhibition will showcase ground breaking innovations in AI-powered medical solutions, healthcare automation, and next-generation digital healthcare technologies. Additionally, this event will provide an excellent platform for networking, as owners of various nursing homes and hospitals across the country will be in attendance.

## **Key Benefits of the Exhibition & Seminar:**

- **Networking Opportunities:** Connect with leading healthcare companies, industry experts, hospital owners, and professionals from across India.
- **Showcasing Latest Innovations:** Get hands-on experience with the latest medical equipment, hospital supplies, and healthcare technologies.
- **Insights into The Role of Artificial Intelligence in Healthcare:** Gain knowledge from renowned AI experts about the future of AI in diagnostics, patient care, and hospital management.
- **Business & Collaboration Prospects:** Explore opportunities for partnerships, business collaborations, and procurement deals with top healthcare brands.
- **Live Demonstrations & Expert Talks:** Participate in live product demonstrations and informative sessions on the future of healthcare.
